## MESSAGE FROM THE PRESIDENT

**PETER A. MANGRAVITI**  
President

Gift

It is with a sense of genuine pride and satisfaction that I can look back on the 'Ten-year' history of the Eagles. This pride comes not from any personal accomplishment on my part, but rather from the tremendous contribution and sacrifice made by our boys and girls, coaches, directors, friends and parents alike in making the Eagles what they are today.

It is to all these people that I offer my heartfelt and grateful thanks.

If there is one word that can sum up what the Eagles stand for, that word would be 'Integrity.' In serving our youth, this is one aspect of our organization that must never be compromised.

Our boys and girls deserve the best — let's give it to them.

In looking into the future it is my sincere hope that the Eagles will always be able to serve our youth and instill in them a true feeling of pride, accomplishment, and togetherness.

*Peter A. Mangraviti*

# Eagles History

In the tumultuous Sixties — September, 1966 to be exact — a sports event took place in the city of Everett. Although this sports event was not covered by Howard Cosell or written up in *Sports Illustrated*, it was a most significant happening for the youth of our city. On that sunny Sunday afternoon in September, 1966, the Eagles took the field to play their very first game of football which happened to be against a team from Stoughton, Mass.

To understand just why this was such a momentous occasion, you would also have to understand the status of "Pop Warner" football in Everett at that time. The term "Pop Warner" just as the term "Little League" cannot be used by an organization unless franchised by headquarters in Philadelphia and only one of these was ordinarily allotted to each city.

However, our Founder and President, Pete Mangraviti, had other ideas. He realized that one franchise wasn't enough to accommodate the hundreds of young boys who wanted to be a part of Pop Warner Football. From that moment on, all his energy was directed toward that end.

Consequently, in 1966 the Eagles played as an Independent team against whatever opponents could be found. This included at least three teams from out of state and others from as far away as Attleboro and North Attleboro.

The Eagles' first Head Coach was Bill Perkins who was one of the original founders of Pop Warner Football in the state of Massachusetts. His assistants were Rudy Scenna, Bill Pietrantonio, Rick DeVito, and John Mastone. Although not still on the same team, Rudy, Rick, and John are still with us today which is a tribute to the solidarity of the Eagles staff. It was indeed an honor for us that Bill Perkins was chosen the following year to become the head football coach at Pope John High School. He is still there today and his fine record speaks for itself.

By the way, how did the team and the organization get to be called the "Eagles"? The answer is simple. Pete Mangraviti, being a graduate of Boston College, took this opportunity to introduce the maroon and gold to Everett.

In 1967 Rudy Scenna was appointed head coach of the Eagles, the position which he still holds today. Through all the years Rudy's contribution to the growth and guidance of the Eagles has been truly dedicated and inspirational. Without his hard work the Eagles would not be where they are today. Rudy's assistant coaches through the years have been Lou Fritz, Frank Enfant Sr., Frank Enfant Jr., Tom Bond, Roland Silverio, Paul Enfant, and Mike DeAngelis.

That year — 1967 — the Eagles again played as an independent.

Once more the Eagles tried for entry into the local Pop Warner league. And once more the Eagles were refused admittance by these local teams.

However in 1968 came the breakthrough. The South Shore Midget Football Conference accepted the Eagles into their league thanks largely to the efforts of our good friends out in Dedham. This was indeed a stroke of good fortune for which we will always be grateful. We are proud to be associated with such an outstanding group of people. The Conference thought so much of Pete Mangraviti and the Eagles that he was elected their Director for a precedent-breaking two consecutive terms.

In September, 1968 the Hawks B Team came into being. They were ably coached by Bill Pietrantonio Sr. and staff. They made themselves known by ending up that season with an undefeated record. When Bill retired, the team was taken over by John Russo who was assisted by Joe Teta, Mike Bontempo and John Carpenito.

In September, 1969 the Falcons C Team was born. It was coached by Rick and Allen DeVito and Fred Allen. For their first game, as some of you might remember, these little fellows travelled all the way out to Franklin, Mass. as part of a triple header only to reach home in the wee hours of the following morning. They fought to a 6-6 tie.

The year 1972 was a banner one for the Eagles Organization for several reasons. The Eagles A Team enjoyed an undefeated season in 1972 and also in 1973 and 1974. In 1972 they won the conference title and entered the Pop Warner Little Scholars program.

"Little Scholars" is a national program whereby a team is ranked not only on its won and lost record, but also on each boy's achievement in school. We are proud of the fact that we were ranked number four among all the A teams in the entire nation. This is one more instance which explains what Eagles Pride is all about.

Also in 1972 our C Team Owls were established. Their first head coach was Paul Caradonna who left us after one year to become a coach in another Pop Warner program. The team since then has been ably led by Dick Dell Isola assisted by Billy Cardello, Ralph Faia, and Peter Grava.

This year, 1976, the Owls were entered into the Little Scholars Program. We are anxiously awaiting the results.

In September, 1973 the Falcons became a B Team to be coached by Rick DeVito, John Mastone, and John Carpenito. At the same time, our newest C team, the Sparhawks, came on the scene.

If there happens to be one or two of our fans who don't know what a Sparhawk is, here's what the Encyclopedia says:

"Sparhawk — a small falcon 9 to 12 inches long, reddish-brown with blue wings. When hunting, it hovers over one spot on winnowing wings dropping suddenly to make a kill."

The head coach of the Sparhawks is Arthur Generazzo who has been assisted by Bill Crowley, Frank Ruggiero, Mike Milo, and Jeff Jenkinson.

Unfortunately in 1976 the Hawks B Team had to be dropped. But next year the Hawks will fly again in the form of our brand new D Team. We are looking forward to it with great expectations.

To help you understand what the letters A, B, C, and D stand for in Pop Warner football, here is what they mean:

A Team — Midgets	up to 13 yrs old	120 lb limit
B Team — Jr. Midgets	up to 12 yrs old	110 lb. limit
C Team — PeeWees	up to 11 yrs old	95 lb. limit
D Team — Jr. PeeWees	up to 10 yrs old	80 lb. limit

In their relatively short history, the Eagles have built a tradition and a reputation to be proud of. We welcome whatever challenges the future may bring hoping and praying always that some measure of EAGLE PRIDE will always follow all our graduates.

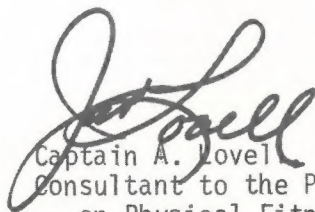

THE WHITE HOUSE

WASHINGTON

The President joins me in greetings to the Everett Eagles Pop Warner football team and all of their fans who are celebrating this tenth anniversary. Each of you should be proud of the team's accomplishments thus far and look forward to an even brighter future.

The President understands and appreciates the joy and valuable lessons of competitive sports such as Pop Warner football. The experience of working together as a team and striving for excellence as individuals will guide your development into adulthood and serve you throughout life. Congratulations for these first successes and may you achieve many more.

Dear Mr. Berardino:

"Congratulations are indeed in order on this tenth anniversary celebration of the Everett Eagles Athletic Association, Pop Warner Football.

The young people who have benefitted from this program over the past ten years know the true value of this program, and the fine incentives offered by the Association for scholastic and athletic achievement.

This program reflects the commitment of the Everett Eagles Athletic Association to the future leaders of your community and our Nation. I am sure your past decade of community service is a prologue to future success."

With warm best wishes and continued success in this very worthwhile program.

Sincerely,

Dear Ladies and Gentlemen, Boys and Girls:

I am pleased to have this opportunity to express my best wishes to the Everett Eagles Athletic Association on its Tenth Anniversary. Every one of you -- athletes, coaches, parents, and fans -- can be proud of how far the Everett Eagles have come, and how well they have succeeded. The Everett Eagles Athletic Association has allowed you all to share the joy of sports. I hope that this book becomes a lasting reminder of that joy, and that there will be many more exciting moments to come.

Once again, congratulations.

Sincerely

Dear Mr. Berardino:

Please accept my congratulations and best wishes on the tenth anniversary of the Everett Eagles Athletic Association, Pop Warner Football.

Over the past decade, your association has given more than 1,500 young people the opportunity to participate in a nationally-ranked athletic and scholastic program.

By providing an example of fair play and sportsmanship, by aiding the development of character and moral principle, and by academic training, the Everett Eagles have greatly contributed to the youth of their community. You, and the other officers of the Association, should be very proud of the work you have accomplished.

I am honored to be part of the festivities on this happy occasion.

Very truly yours,

Dear Frank:

"My sincerest congratulations to the Everett Eagles Athletic Association, its officers and members, for all they have accomplished for the youth of our city.

We in Everett have been extremely proud of the selfless and dedicated service performed by so many of our citizens in this outstanding organization.

On the occasion of your 10th Anniversary, Everett thanks you for what you have done, and more importantly, for what you are continuing to do for our junior citizens."

Congratulations on this special occasion, your Tenth Anniversary. I would especially like to commend you for your national ranking., both athletically and academically. This success is a credit to the many adults who give unselfishly of their time and effort to guide our young people. But above all, your young men and women have proven that hard work and dedication do bring accomplishment and success. This is perhaps your greatest triumph.

The Everett Eagles have provided a standard of excellence for all of Everett. The Eagles stand as a positive response to the criticisms about the youth of our society, and the complaints about apathy in our adults.

I sincerely appreciate this opportunity to express the gratitude which our entire community feels you so richly deserve.

I wish you continued success.

Mr. Peter Mangraviti  
20 Cabot Street  
Everett, Massachusetts 02149

To many others it might not seem so but both you and I are very much aware of the years which have passed since that first and very trying year for the Eagles. Though the economics of having to buy a home where I could afford it have taken me away from Everett my heart is still there and those to whom I feel closest and have the most respect for are still there.

In reality I have been in a rare position to watch the evolution of the Eagles' program and, as you know, I have been most favorably impressed. I think your organization more than any other I have observed has promoted what I feel should be the true meaning of Pop Warner football. You, your Board of Directors and most importantly your coaches have kept the game in perspective and under pressures of a society which sees competitive sports in an increasingly unhealthy light, this has not been accomplished with ease.

I have stated publicly and I will repeat for you now that of all the young men who come to Pope John High and participate in its football program, former Eagles stand out. Not necessarily in the area of skills but far more importantly in the area of attitude and perspective. They are team players, selfless to a fault, in whom the training of the Eagles staff has had a deep and lasting impact.

Now, as in the past, when I offer my congratulations to the Eagles it is a most meaningful congratulations because it addresses your efforts with young men in helping them attain responsible growth, physical and emotional development, and a feeling of worth as individuals. Your organization is a living example of how responsible coaching and guidance of youngsters keeping sports in proper perspective will achieve the other but far less important goal of winning far more than you lose.

Though my efforts with kids now dates back twenty years I will until my dying day count former coach of the Everett Eagles as one of my most prized credentials. The value of that title has been enhanced with every year of the Eagles; existence.

Best wishes for continued success.

Sincerely yours in the service of youth,

*Bill*

Offense: The 1976 offensive unit compiled 1,986 yards and was responsible for scoring 214 points.

Defense: The 1976 defensive unit only allowed 8 points to be scored. This occurred on a broken play against Hingham. There were only 8 first downs registered — 3 on penalties — for the entire year.

The Owls have gone 15 games undefeated. This great achievement was due to "team pride, desire and togetherness."

The 1976 Owls have been entered in the "Little Scholar Award" for national ranking, scholastically as well as athletically.

Eagles history: For the first time in Everett Eagles history, *all levels* a point after was kicked by a member of the Owls.

Tom "Golden Toes" Golden, right end, kicked the point after against the undefeated GBL Medford team in a post season game. (RHB) Bobby Fair held the ball as it was centered by brother (C) Ralph Faia — a strong blocking attempt by the offensive line accomplished this special achievement in Eagles history.

This season was a rebuilding year for the Sparhawks.

The team was relatively young with boys in the age group 9-11, experiencing their first year of organized football.

The offense had a rough time relying on their defense to keep them in the ball games. As the year progressed, both the offense and defense continually improved.

It appears that next year will be a banner year for the Sparhawks, as a majority of the team will be returning.

Mr. Frank Berardino  
48 Woodville St.  
Everett, Mass. 02149

Dear Frank:

I feel that I was in Everett for the Friendship Bowl as the good news of it's success has been sung loud and clear all over Milford. Dave Hancock, the other coaches, players parents and friends certainly enjoyed the hospitality extended them by your group. The game was only a minor portion of a truly fine experience for the young people. Dave Hancock summed it up best when he told me that after our game he looked into the end zone bleachers and there were both teams watching the Pop Warner/Eagles game. A spirit was definately created and the Milford Junior Football League is certainly proud to be a part.

I am enclosing the team picture which Dave said you wanted and also a news release that was published on Thanksgiving Day.

We are developing a better youth football program each year and to say that we are now part of this Friendship Bowl is a fitting climax to a fine season.

So I thank you and the members of your group for including the Milford Junior Football League and I know that a long, warm and friendly relationship will grow for years to come.

Very truly,

*C. S. Raymond III*  
C. S. Raymond III  
League Commissioner

**FRANK K. BERARDINO**  
Chairman  
Souvenir Book Committee

I would like to take this opportunity to thank those on the following pages for generously contributing to the success of this book. Without their support and donations, this souvenir book would not have been a reality.

This book was developed to be a keepsake for those presently in the organization and the many alumni who have graduated since our first team was put on the field in 1966.

I apologize for not being able to accumulate the data necessary to complete a section on our Hawks. Although this team at the present time is inactive, they were a very important part of the organization's history.

I offer my deepest and sincerest apologies to our Eagle cheerleaders of past years. Once again, the material was unavailable for this edition of the book.

The officers and Board of Directors of the Everett Eagles Athletic Association join me in offering a special thanks to:

The many legislators and public officials who took time out from their busy schedules to send a congratulatory message to us in honor of our tenth anniversary.

My partners, Robert G. Chilton and Daniel Pini of CopyQuik, Inc., for offering the company's complete facilities for the purpose of producing this book.

Our coaching staff for taking the time and effort involved to compile the necessary data to produce this book.

Our boys, girls, parents and many friends, for without them, they're wouldn't be a book or an organization for which to publish a book!

***Thank You...***

We at Pope John XXIII Central High School are deeply indebted to the Everett Eagles for over sixty young men who have participated in our football program. Of that number the following have been in positions of leadership with our "Tigers":

1970 - Lenny Colameta, Co-Captain  
1972 - Ray Colameta, Co-Captain  
1974 - Rick Allen, Co-Captain  
1975 - Rick Biagiotti, Captain

1971 - Larry Blanch, Captain  
1973 - Tommy Abruzzese, Co-Captain  
1974 - Dennis Colameta, Co-Captain  
1976 - Mike Fuller, Co-Captain

Many of the former Eagles have achieved "All Catholic" selection in 1976. Rich Biagotti was named "League Most Valuable Player," first lineman ever so honored in our league's history.

*Best wishes for continued success . . . .*
